

09 December 2021 For Immediate Release

National Navy Mustang Association Election Results are Hereby Promulgated

Thanks to those that took the time to cast their votes. The membership has spoken and it gives me great pleasure to announce, and virtually introduce, your new National Navy Mustang Association Officers.

Vice President: CWO5 Mitch Allen, USN

Treasurer: CDR Todd Grahek, USN and

Secretary: CWO4 John Penick, USN.

We had a total of four candidates; two candidates each for both the Vice President and Secretary positions. In the absence of no candidate for the position of Treasurer, and in accordance with our By Laws, I have appointed CDR Grahek, who has graciously volunteered to serve, to the position of Treasurer.

Please take a moment and join me in both congratulating and welcoming Mitch, Todd, and John to the Board.

A few months ago I outlined our way ahead in my arrival message: <http://navymustang.org/presidents-message/>

You are encouraged to review this again as we will be reaching out to the Chapter Leadership seeking their best practices and recommendations for the organization writ large as we move out to rebrand the NMA. Synergy at its best.

Your thoughts and ideas are both highly-encouraged and ALWAYS welcome. Send to: UPFRMRMK@aol.com

Very Respectfully yours,
E.A. HIPSLEY, JR.
Commander, 1813, USN, Ret.
President, Navy Mustang Association
